

Name: _____

Fact Family Cones

Cut and paste problems to correct fact families.

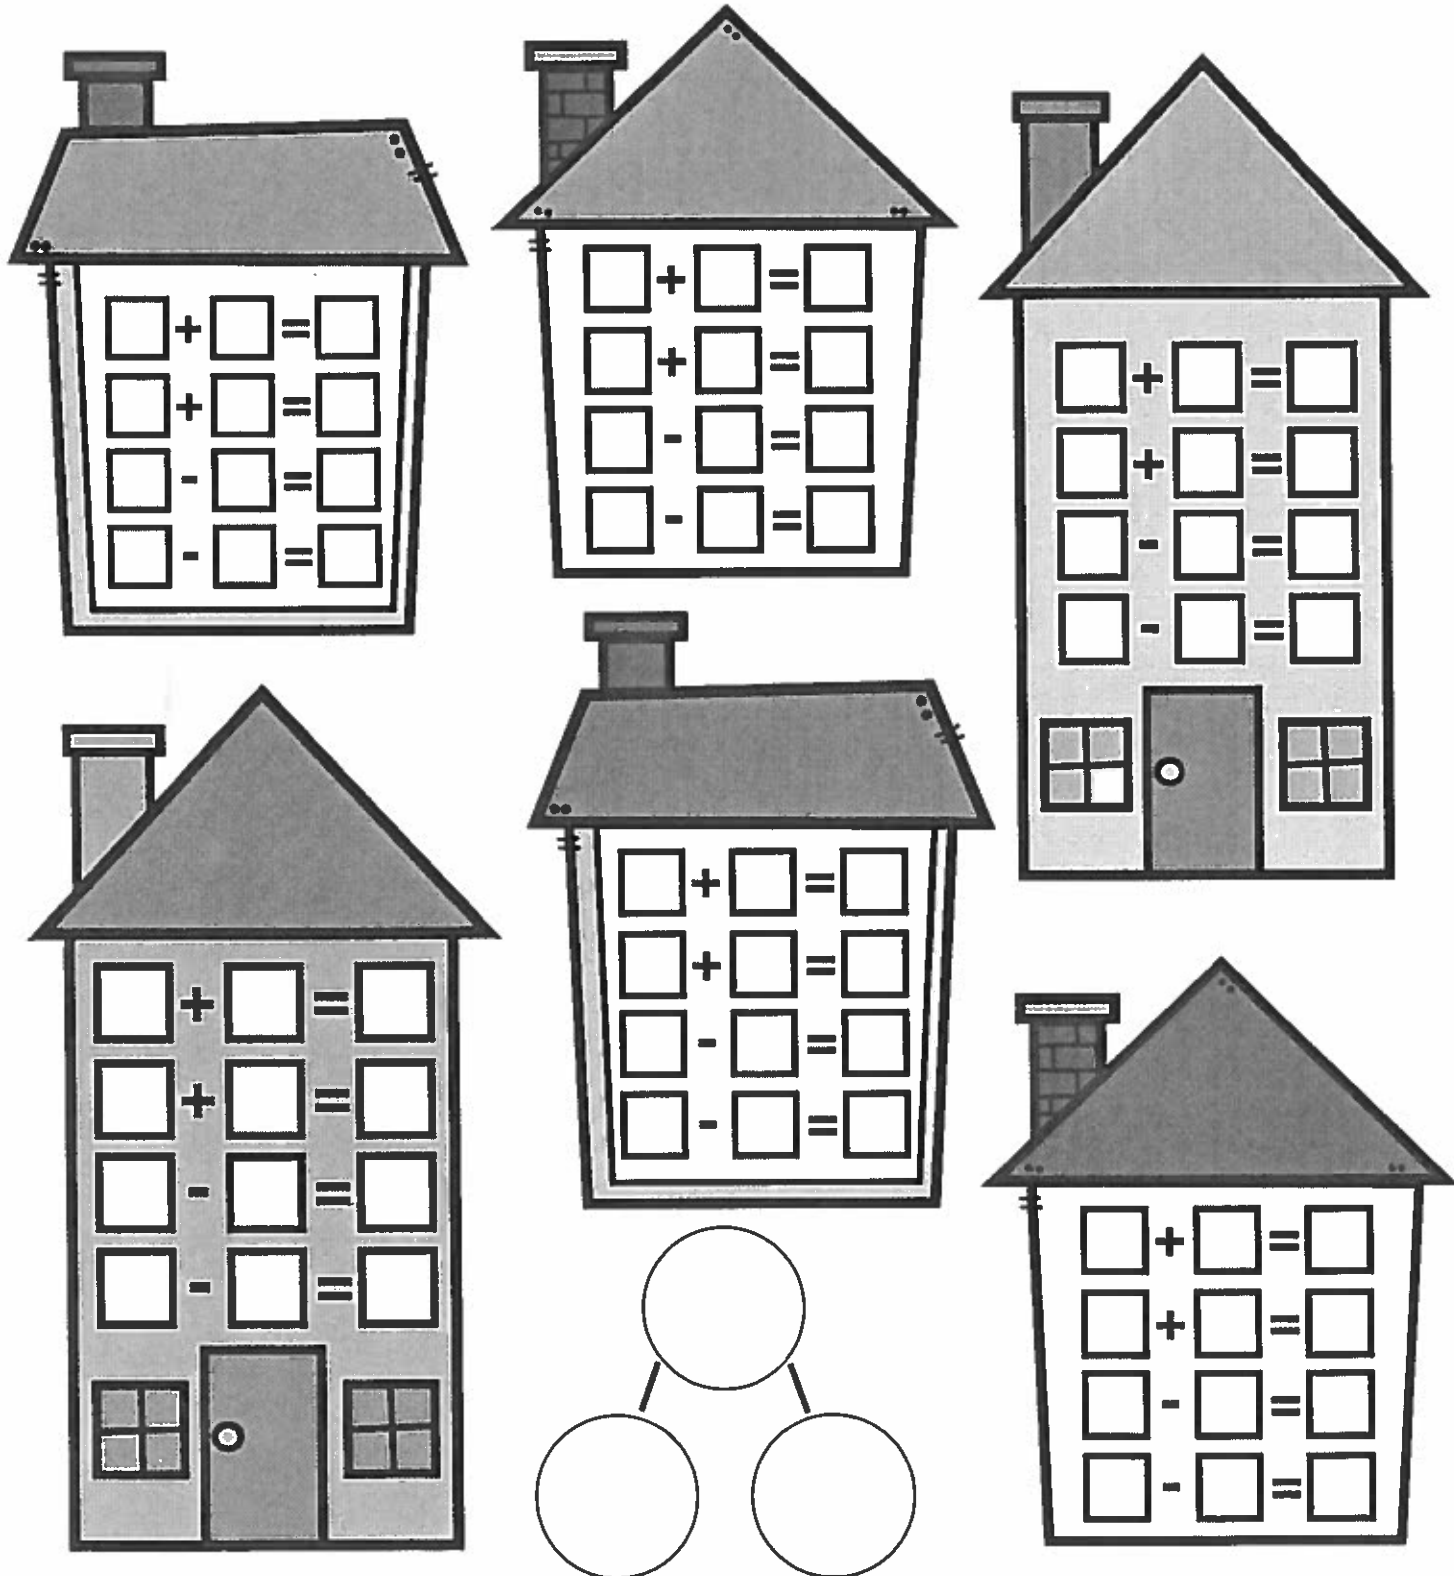

4, 5, 9	5, 7, 12	3, 8, 11	6, 7, 13

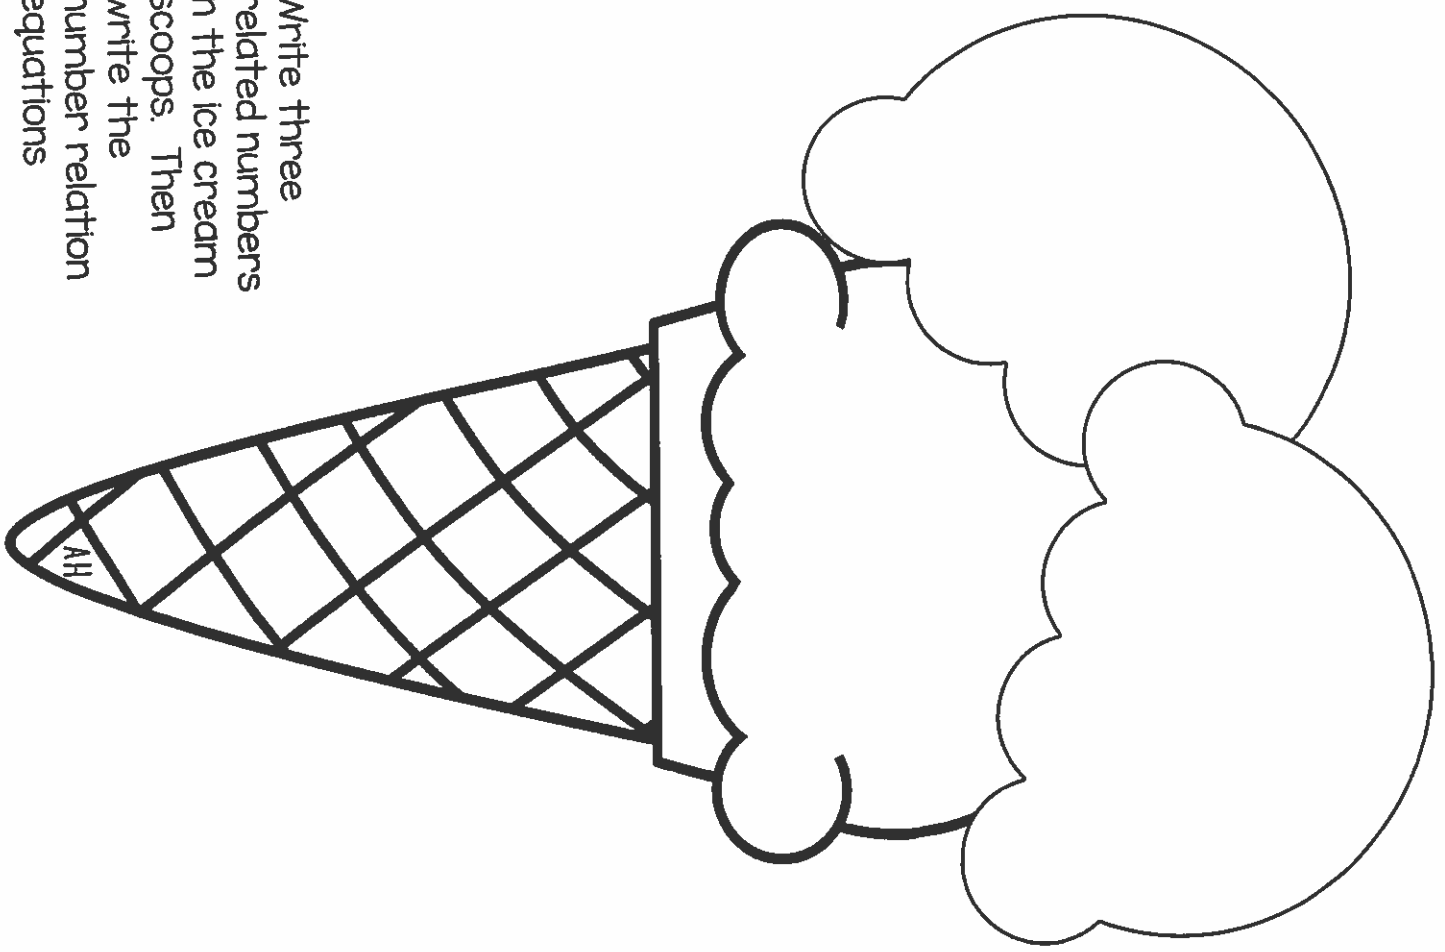

$8 + 3 = 11$	$11 - 8 = 3$	$12 - 7 = 5$	$4 + 5 = 9$
$5 + 4 = 9$	$5 + 7 = 12$	$3 + 8 = 11$	$7 + 5 = 12$
$11 - 3 = 8$	$7 + 6 = 13$	$9 - 5 = 4$	$13 - 6 = 7$
$9 - 4 = 5$	$12 - 5 = 7$	$13 - 7 = 6$	$6 + 7 = 13$

Fact Family Challenge:

Directions: Take turns with a partner rolling 2 dice. Use those numbers to complete a fact family house below. For every house you fill in correctly, you get a point. If you roll 2 numbers that have already been used, you lose that turn. Once the game board is complete, the player with the most points wins.

Frozen Facts

Write three related numbers in the ice cream scoops. Then write the number relation equations

$$\square + \square = \square$$

$$\square + \square = \square$$

$$\square - \square = \square$$

$$\square - \square = \square$$
